SCHOOL PROFILE
TEACHING EXCELLENCE

North Broward Preparatory School is an engaging and thoughtful learning community of 1,600 remarkably high-achieving and diverse students of various talents, interests, backgrounds and cultures. They are encouraged to continually develop themselves and pursue their individual passions and interests in order to find success that is meaningful to them. Within the picturesque grounds of North Broward’s campus, students from Florida and around the world are welcomed by talented and caring faculty and staff into a warm and nurturing environment. Students are taught the critical skills they need to thrive in an increasingly global world by a school that has provided thousands of children with an exemplary educational experience that emphasizes critical thinking for more than 50 years.

GUIDING PRINCIPLES

North Broward believes that a student will be most successful within a supportive and trusting community. Teachers greet every student by name, know their strengths, understand their challenges and work with them on a personal level every day. Students and teachers alike can be seen in the halls of North Broward, enthusiastically engaged in conversations about classes, projects, friends, family, sports, music and art performances, and more.

EDUCATION & CURRICULUM

North Broward Preparatory School is an international community committed to accelerating each student’s academic achievement and personal growth. We foster critical thinking skills, provide opportunities for the discovery of interests and instill the virtue of civic responsibility. Our challenging, yet nurturing environment, prepares our students to excel in their top choice colleges and universities.

CURRICULUM
- Advanced Placement (AP) courses
- American High School Diploma
- Honors courses
- International Baccalaureate Diploma Programme (IB)
- North Broward has a comprehensive English for Speakers of Other Languages (ESOL) program creating opportunities for students at all English-speaking levels to be successful. Our ESOL programs are designed to give students the skills to realize their full academic potential.

SPECIAL ACADEMIC PROGRAMS
Students benefit from a STEAM collaboration with globally-recognized institution Massachusetts Institute of Technology (MIT) and a performing arts collaboration with The Juilliard School. Students can also participate outside of the classroom in a variety of after-school academic programs including debate competitions, math and science meets, drama and speech competitions, Scholastic Art and Writing competitions, dance teams, theater productions, among others.

LIGHTHOUSE POINT ACADEMY
The Lighthouse Point Academy is a learning community of over 100 students within North Broward Preparatory School offering specialized classes for college-bound students with mild specific learning disabilities. In combination with mainstream classes, LPA classes provide prescriptive accommodations to ensure students’ academic success and readiness to successfully engage in undergraduate education.
