

# LEARN ENGLISH THIS SUMMER IN NEW YORK CITY

Léman Summer English Academy  
August 13 through August 28, 2018

LÉMAN MANHATTAN  
PREPARATORY SCHOOL

# Intensive Language Instruction in a Collaborative, Engaging Community

The Léman Summer English Academy provides students with a rich, hands-on curricular experience designed to develop English language proficiency through engaging in authentic, meaningful activities using New York City as a learning lab. Located in the heart of New York City, this unique urban boarding setting provides students with opportunities to take advantage of the city's tremendous cultural experiences while Léman Manhattan Preparatory School's expert English language faculty help students grow their language skills in a collaborative environment that prepares them for them for success in the coming academic year.

## PROGRAM OUTCOMES

- Develop a working language proficiency in the four skills of reading, writing, speaking and listening
- Foster confidence in speaking and working collaboratively with others
- Acclimate students to life in New York City
- Prepare students for the academic rigor of U.S. secondary schools
- Develop effective study and organizational skills
- Research, explore and present findings on a topical issue through technology and the arts through a culminating performance
- Develop a blog chronicling students' experiences and activities during the program

## EXPLORING NYC
